- One **Roosevelt dime**
- One **Jefferson 5-cent coin**

The front of the carton displays an image of the Washington Monument at sunrise. The back of the carton displays an image of each national park or site honored in 2013, its name, the state, and the year in which the park was established as a national site; a portrait of each President, the President's name, and the years served in office; and the partial coin images of the obverses of the remaining coins. A Certificate of Authenticity accompanies each set.
